

Table of Contents

Introduction	1
Determinative Tables.....	3
Igneous Rocks	3
Metamorphic Rocks.....	22
Sedimentary Rocks	24
Terminology	32
Rock Descriptions	33
Index of Rocknames.....	119
Minerals and Rocks.....	123
Introduction	123
Character of Minerals	123
Common Minerals	128
The Principles of Petrology.....	157
The Science Of Petrology	157
Rocks and Their Composition	163
The Rock Minerals	163
The Classification of Rocks	165
Granite.....	168
Origin of Granite.....	168
Sedimentary (S-) and Igneous (I-) Type Granites	174
Volcanoes.....	181
General	181
Pyroclastics	184
Plate Tectonics	191
The Plume Hypothesis	191
Gravity Sliding	193
Convection	193
The Expanding Earth.....	194

Conclusion	196
